CUSTOMER TESTIMONIALS

"I grew up in Memphis, TN and was weened on Memphis pulled pork and dry rubbed ribs. I have traveled the world and eaten barbecue on multiple continents and in many styles. And Shigs in Pit is one of the best 'cues I have ever eaten, easily in my top 5. The ribs are perfect, the sauces superb, and I have to tip my hat most especially to the jalapeño-cheddar sausage, which is the best I have had. Kudos to the team!"

"Wanted to let you know that without a doubt, this was the best ribs and pulled pork I have had. Your product is top notch. I also wanted to pass along how impressed my wife was with the service she received at your restaurant when picking up the food. Good luck this season with your competitions. Based upon this food, you should be standing in the winner circle week after week."

"I would like to inform you that these were the best bbq ribs I've ever had in my life. The corn spoon thing was epic. The burnt ends blew my mind. The cucumber tomato salad was fresh and tasty. The service I received when I came to get my order was excellent. Thank you for being in my life. As long as I live in Fort Wayne, I'll be singing praises of Shigs in Pit. Keep up the great work."
